

# EXTEND THE RESOURCES

--

Below are a list of ideas and ways you might use the resources provided on this Classroom Law Project resource page to extend learning and civic engagement for your students:

## ***Start with Choice & Inquiry:***

Each of the sections on this Current Event Resource Page connect to the topic of Corporations, Activism and Backlash in Georgia. There is a topic that will reach any student's interest. Give students the opportunity to choose a topic or connection of interest and start with that.

## **Extensions with the Articles/Editorials:**

- News Analysis worksheets (handout on current event page)
- Further News Research (Research Tips handout on current event page)
- Annotated summaries of articles
- Socratic discussions with shared article texts

## **Extensions:**

- Dig more deeply into the **Essential Questions** in this Current Event about corporate activism in Georgia and the other voting legislations that are being challenged by corporations
- **Compare and contrast** - the efficacy of past boycotts and buycotts called for political reasons
- **Multiple Perspectives:** who is helped, and who is harmed, by corporate activism?
